## 1. Update Task Chart

- Task #2 – Annual report to Council – last year’s report to be presented in September
- need to nail down a date to complete the report earlier in the year – OPP use the calendar year – February or March would be an acceptable timeframe going forward - template and content to be decided at future date

**F. ROUND TABLE**

- Neil MacLeod thanked the town and OPP for their roles in events such as the Battle of the Atlantic parade, the Royal Canadian Legion Remembrance Day and Highland games

**G. REPORTS**

Staff Sgt. Marc Hemmerick reviewed the reports and addressed questions from the members.

- There has been an increase in 911 calls due to pocket dialling and some calls pinging off of cell phone towers not necessarily from this area
- No uptick in collisions and no fatalities
- No report on Hwy. 7 from MTO as they are still collecting data - there has been a significant decrease in accidents where snow fence was installed during the winter months
- Traffic complaints are up in Mississippi Mills mostly regarding the OVRT
- More OPP operated ATV’s will be on the trail once personal have completed rider training course
- Speeding is not an issue as far as the data that has been collected on the Speed Spy
- Charges are down due to the legalization of Cannabis – there has not been a significant increase in arrests with regards to Opioids
- Narcan has been installed in firefighter kits – on a suspected overdose there is no liability for the person administering the Narcan if it turns out not to be an OD – there are no medical effects if given to someone who has not OD’d.

## **Message from the Chairperson**

## Mandate of the Committee

### Mission Statement

The Mississippi Mills Community Policing Advisory Committee (CPAC) is to provide a mechanism for independent community guidance, governance and accountability for policing at the local level.

### General

The responsibilities of the Mississippi Mills Community Policing Advisory Committee (CPAC) include, but shall not be limited to the following:

- a. To provide input to the Detachment Commander regarding priorities and objectives for police services in the community.
- b. To receive regular reports from the Detachment Commander concerning community policing issues, initiatives and statistics as requested by the Committee.
- c. To ensure meetings are open to the public. When public is excluded such exclusion shall only be done in accordance with Section 35 of the *Police Services Act*.
- d. To receive and address issues brought to the Board's attention by the citizens of Mississippi Mills.
- e. To attend community events and meetings, when reasonably practical and when invited.

## Committee Membership

### Appointment of Committee

- a. The Committee shall consist of five (5) members. There shall be three (3) members appointed from the community and two (2) members of Council.
- b. All new appointees to the CPAC will receive training with respect to their roles and responsibilities.
- c. The CPAC shall elect a Chair and Vice-Chair and appoint a Secretary-Treasurer.
- d. All members of the CPAC shall sign a Code of Conduct for Committee / Board members.
- e. The CPAC shall meet at least four (4) times a year and a majority of the members shall constitute a quorum.

**Activity for 2018** (or whatever the reporting period is that is in the OPP report)

## 5 YEAR REPORT, MISSISSIPPI MILLS POLICE SERVICE BOARD

<p><b><u>Report Date</u></b></p> <p>11 Mar 2019</p>	<p><b><u>Submitting Author</u></b></p> <p>Paul Ross #11440</p> <p>15 Coleman street , Carleton Place, ON</p> <p><b>Tel: 613-257-5610 Fax: 613-257-8847</b></p> <p><i>Paulross@opp.ca</i></p>
<p><b><u>Submitting Agency Report Number</u></b></p>	

At the request of Inspector Needham I have conducted a 5 year review of calls for service (01 Jan2014 – 31 Dec 2018) by type and clearance rate as requested. The request included an overview of all Lanark County as well as each municipality within the Lanark County Detachment area.

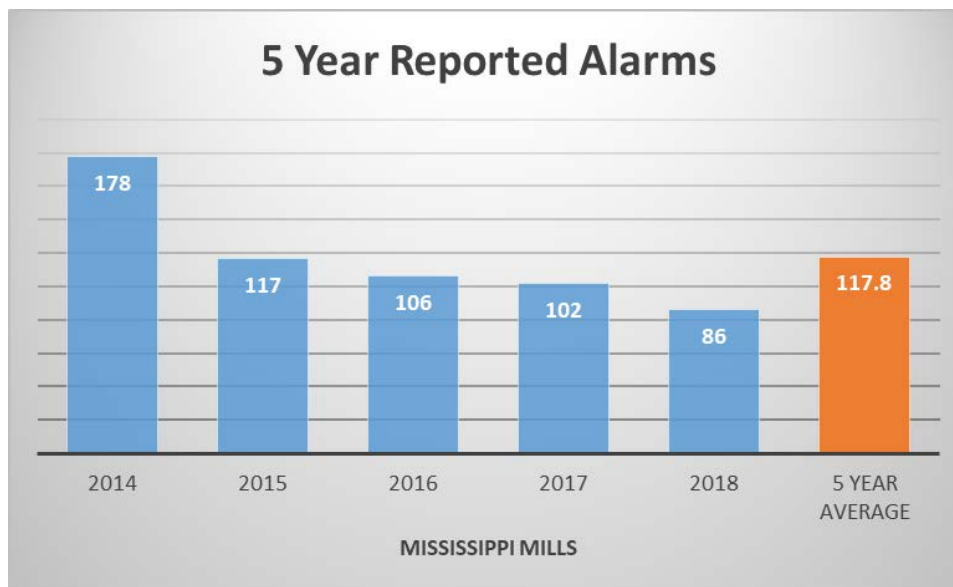

Utilizing IBM Cognos Café I conducted data extractions for the specified items using the Niche RMS Offence Level Cube from BI.

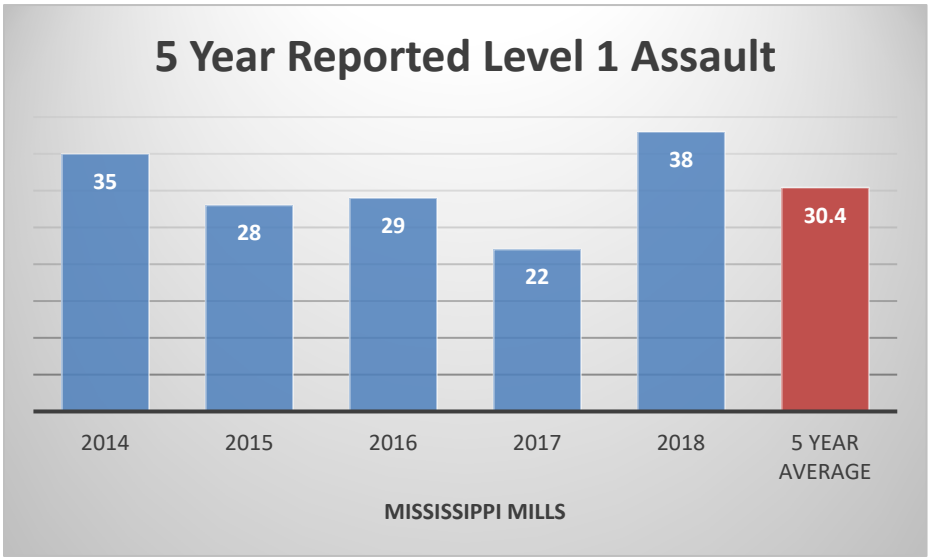

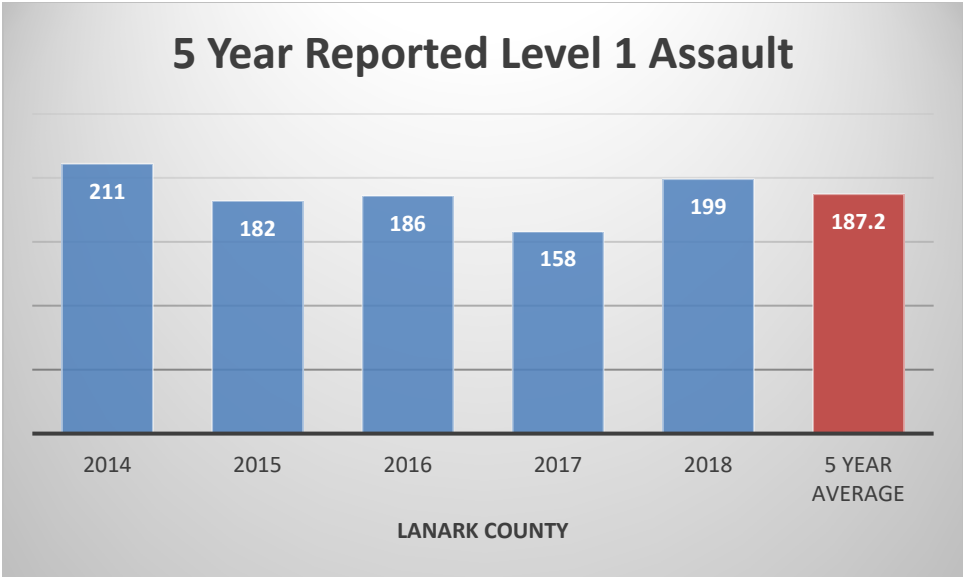

All incident counts were harvested by “reported” within Niche RMS.

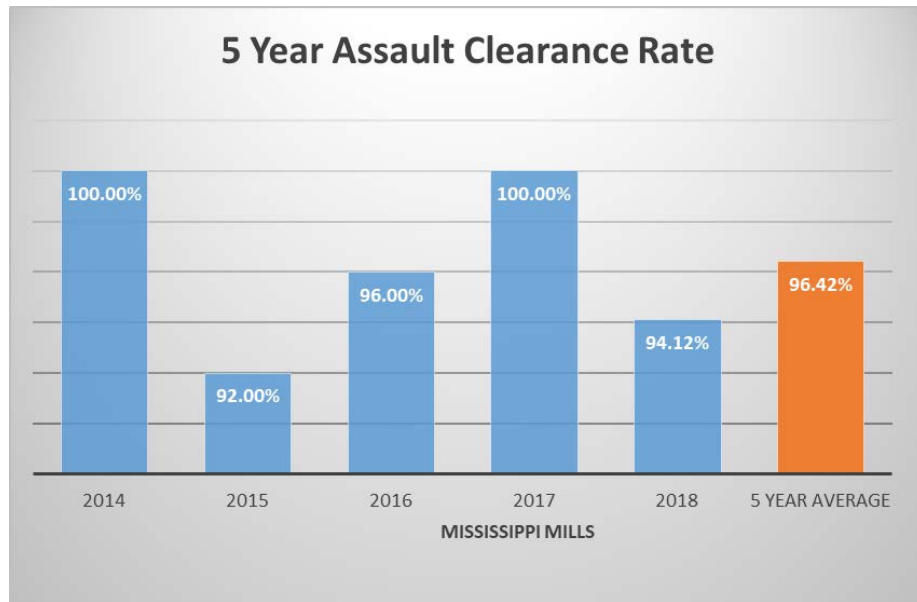

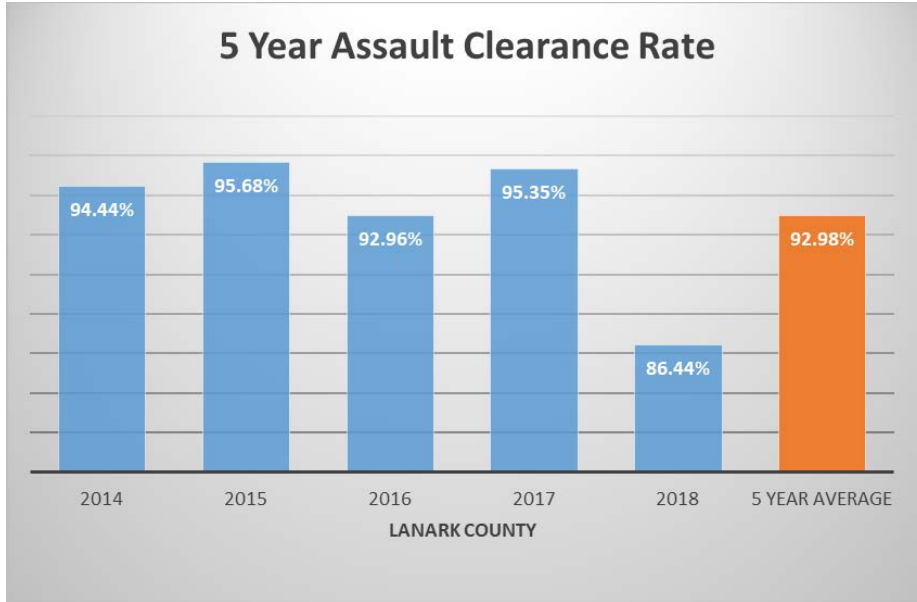

Clearance Rates are based on “Actual” within Niche RMS

The “All Lanark County” is the sum of all calls within Lanark County by Municipality

I have included a 5 year average based on 2014 to 2018 inclusive.

## Message from the Detachment Commander

I am pleased to present the Lanark Detachment 2018 Action Plan Progress Report in conjunction with our 2017 – 2019 Action Plan. As we look back over the past year and even over the past three years, we recognize the many policing successes we have had:

- Improved community safety and well-being through development of effective working relationships with community partners.
- Demonstrated success identifying members of the community at an elevated level of risk and engaging appropriate community partners before the person is in crisis.
- The development and completion of the Community Plan for Safety and Well-Being and delivering it to our community partners.
- Build on the success of the Lanark County LEAD Nurse who began working at the Lanark County Detachment in August with the goal of adding a second fulltime LEAD Nurse in 2019.
- Reduced instances of property crime and false alarms through engagement with Police Services Boards and Community Policing Advisory Committees to promote education and awareness.

We continue to focus on the reduction of harm and victimization, specifically violent crime, property crime, illicit drugs and cyber crime. Once again, provincial targeted outcomes have been identified and we will work together to achieve these provincial targets into 2019.

Lanark Detachment remains committed to a traffic safety approach that will change driver behaviours responsible for injuries and deaths on roadways, waterways and trails. We are also committed to further reducing the number of false alarms which continue to misdirect law enforcement resources in OPP communities.

As we look forward, we will continue to ensure our communities have the service delivery they require. The focus of the next three years for our detachment will be:

- Support and be a champion of the Lanark County Situation Table to identify community members who are at an acutely elevated level of risk, and engage community partners prior to crisis.
- Build on the current Lanark County LEAD mental health nurse embedded within Detachment. Continue to expand partnerships with police and health care providers. Continue to explore new opportunities to reduce the criminalization of persons in mental health crises.
- Reduce violence against women and victimization of vulnerable and marginalized populations including the young and the elderly through programs such as: Interval House and Child Youth Advocacy Centre.
- Keep fatal and personal injury collisions at or below current levels through proactive traffic enforcement including R.I.D.E., Provincial and local traffic campaigns. Partnering with MTO in order to identify environmental and physical challenges on our Provincial highways.

The dedication of our members, together with the support of our municipalities, will ensure our continued success in keeping our communities safe.

Derek Needham  
Detachment Commander  
Lanark Detachment, OPP

## Our Detachment

The eight Municipalities policed by the Lanark County Detachment are the Towns of Mississippi Mills, Perth and Carleton Place, and the Townships of Beckwith, Montague, Drummond/North Elmsley, Tay Valley and Lanark Highlands.

The Police Services Boards and Community Policing Advisory Committee of the municipalities we serve are active and engaged to ensure the best service delivery possible by the Lanark County Detachment.

We work in close partnership with many community organizations including the Smiths Falls Police Service.

Highway 7 is a major Provincial Highway that bisects the Lanark County Detachment patrol area with a significant amount of vehicular traffic flowing between Ottawa and the Greater Toronto Area (GTA).

Many inland lakes and a portion of the Rideau waterway are within the patrol boundaries and, as a result, there is a significant increase in population during the summer months created by seasonal properties.

The most recent census shows the population of Lanark County at approximately 57,000 people, excluding Smiths Falls.

The majority of residents identify English as their first language.

There is no significant commercial growth in any of the municipalities.

The main areas experiencing residential growth are Carleton Place, Mississippi Mills and Beckwith.

### Violent Crime Progress Results

#### Violent Crime – Assault and Domestic Violence

##### Priority Description:

- There were 181 incidents of assault in 2018, and of that, roughly half were domestic-related.
- Domestic Violence continues to impact many facets of society within Lanark County. Reducing the number of incidents of Domestic Violence has been identified by several Police Services Boards/Community Policing Advisory Committees as being of significant importance to their communities.
- There was a decrease in incidents of assault from 2016 to 2017; however, in 2018, there was an increase.

Activity	Progress Status	Progress Details
Focus group meetings with survivors as part of the community safety planning process identified opportunities for increased training for police officers. A portion of the Policing Effectiveness and Modernization Grant application has been allocated to delivering additional training to officers.	Relevant Activity Underway	Utilizing funding from community partners, including the Lanark County Situation Table, Dr. Lori Haskell has twice attended and delivered training on Trauma Informed Interviewing of victims to officers of the Lanark County Detachment, Smiths Falls Police, and community partners. Continue to strengthen the relationships with Interval House and the survivors of violent crimes.
Participation in relevant education and awareness campaigns such as "See it, Name it, Change It."	Relevant Activity Underway	Detachment participation in planning meetings for "See it, Name it, Change it" hosted and co-ordinated by Lanark County Interval House. It is through these partnerships that victims are more comfortable coming forward to the police.
Continue to have a representative attend functions such as the Sex Assault/Domestic Violence Advisory Committee meetings and Interval House annual general meetings.	Relevant Activity Underway	Both the Detachment Commander and Abuse Issues Coordinator attended the Sex Assault/Domestic Violence Advisory (SADV) Committee annual general meeting. The Abuse Issues Coordinator also attends regular meetings of the SADV Committee.
Seek out relevant speakers to provide information/education/awareness to identified high-risk groups.	Relevant Activity Underway	Through the funding of the Police Effectiveness and Modernization grant, a speaker on human trafficking was brought to Lanark County. This speaker provided three different sessions to the target audiences of police officers, students and members of the general public.
Support public events such as "Take Back the Night," youth conferences and fundraising events.	Relevant Activity Underway	Members of the Lanark County Detachment, including the Detachment Commander have attended fundraising events for Lanark County Interval House such as "Violet Femmes" and "Feed the Fight" in 2017 and 2018.
Continue to investigate all Domestic Violence occurrences thoroughly and completely.	Relevant Activity Underway	All incidents of domestic violence are investigated thoroughly and completely. In addition to investigations being approved by the responsible officer's supervisor, a member of the crime unit who has a background and

Activity	Progress Status	Progress Details
		additional training in domestic violence reviews all incidents. When reviewing these incidents the Detective Constable ensures all protocol, as defined within Police Orders is followed. Any identified issues are returned to the investigating officer and their respective supervisor to correct.
Utilize crime analysis to identify intelligence-led policing focused patrol initiatives.	Relevant Activity Underway	Both local and regional analysts scrutinize statistics to identify both criminal and traffic trends. Focused patrol initiatives are largely based on 'hotspots' identified by the analysts, coupled with concerns brought in by the community.
Maintain all appropriate persons in the Crime Abatement program with confirmation of compliance of release conditions.	Relevant Activity Underway	All persons released on judicial interim release with enforceable conditions are entered into the Lanark County Crime Abatement program. This program is managed by a member of the crime unit and tasks are assigned to platoons.
Seek out opportunities to review incidents of Domestic Violence with community stakeholders, in a de-identified manner, to assist with identifying best practices and areas for improvement.	Relevant Activity Underway	East Region assembled a sex assault review committee that includes a representative from Lanark County Interview House to review a selected number of investigations. This review process is overseen by the Detective Staff Sergeant position at East Region Headquarters. Opportunities to review local incidents of Domestic Violence, not included in the scope of the sexual assault review team will also continue to be explored.
Identify and, when appropriate, make referrals for any party involved in an incident of domestic violence to the Lanark County Situation Table.	Relevant Activity Underway	From December 2015 to 2018, of the 196 discussions have been brought to the Situation Table, 79% met Acutely Elevated Risk and 85% of those had overall risk lowered. With 22 community partners participating in the Situation Table, there is representation from all agencies who provide acute care in Lanark County. Of the 196 discussions, 60% were made by Lanark County OPP. Domestic Violence is one identified risk factor considered when determining if person is at an acutely elevated level of risk.
Conduct highly visible patrols around licenced establishments near closing time to dissuade potential mutual combatants from engaging in the streets.	Relevant Activity Underway	Ongoing. Patrols are regularly conducted around the establishments licensed to sell alcohol in Lanark County, particularly around closing time. The proactive presence has a positive impact on the community by dissuading potential mutual combatants when they see the police present.

## Property Crime Progress Results

### Property Crime – Thefts From Motor Vehicles

#### Priority Description:

- Work with community partnerships to enhance community education and awareness supplemented by analytic-driven enforcement to reduce the incidents of thefts from motor vehicles.
- This is easily one of the most preventable property crimes as most thefts are from unlocked vehicles.
- There were 384 incidents of theft under \$5,000, a 9% decrease from 2017, with the overwhelming majority of those incidents being thefts from motor vehicles

### Property Crime – Break and Enters

#### Priority Description:

- Work with community partners to enhance education and awareness supplemented by analytic-driven enforcement to reduce the incidents of break and enter.
- There was a very modest increase in break and enters, with 101 incidents reported in 2018 compared to 135 in 2017. This represents a 16% decrease. The trend for the past three years is fairly stable at approximately 123 incidents per year.

Activity	Progress Status	Progress Details
Thefts from MVs - Predictable increases in this type of offence take place once the warmer weather of the spring arrives and continues until the fall.	Relevant Activity Underway	Community Safety Officers have prepared media releases as well as spoken on local radio regarding the ease of target hardening relating to thefts from vehicles, given almost all thefts occur from unlocked vehicles. Police Services Boards and Community Police Advisory Committees (CPAC) are provided with statistics of thefts from vehicles on a quarterly basis and because they are aware of the impact as a call for service, most regularly publicize information on how to prevent these types of thefts.
Thefts from MVs - Education through internal sources, such as Community Safety Officers and external partners, such as the Police Services Boards/Community Policing Advisory Committees, is essential to continue to push the messaging for residents to remove valuable items from their vehicles and lock the doors. Thefts from MVs - Support delivery of the "Lock it or Lose it" program when appropriate.	Relevant Activity Underway	Ongoing. The Lock it or Lose It" program is primarily delivered by the Lanark County Auxiliary Unit, while supported by regular uniformed members. Initiatives under this program are specifically directed at high volume areas such as grocery store parking lots in urban areas.
Thefts from MVs - Community Drug Action Team (CDAT) members are being	Relevant Activity Underway	The Community Street Crime Unit investigates and pro-actively enforces drug and property crimes.

amalgamated into a new Street Crime Team that will include investigation and pro-active enforcement of drug and property crimes.		
Thefts from MVs - The current complement of the Street Crime Team will be increased from two members to four members.	Relevant Activity Underway	The Community Street Crime Unit continues to investigate and follow up on property crimes. There is currently three active members.
Thefts from MVs - Utilize Detachment Analysts to identify trends whereby proactive enforcement can be effectively utilized to combat this type of offence.	Relevant Activity Underway	Both Detachment and Regional analysts regularly conduct analysis of crimes and identify 'hotspots' in weekly intelligence reporting to Detachment members. Although most of these types of crimes occur in urban areas, thefts from motor vehicles has also been occurring in the more rural areas in the past 12 months. The work conducted by the analysts is particularly useful in these rural incidents to identify hotspots.
Thefts from MVs - Work collaboratively with internal and external community partners to identify persons of interest who are committing similar crimes in jurisdictions outside of Lanark County.	Relevant Activity Underway	Ongoing

Thefts from MVs - Continue to investigate all occurrences thoroughly and completely.	Relevant Activity Underway	Ongoing
B&Es - Issue targeted media releases.	Relevant Activity Underway	Community Mobilization Officers produce a weekly release of relevant calls for service including break and enters. A member of the Crime Unit is also the liaison to Crime Stoppers who produces a "Crime of the week" that is featured on local media and the Crime Stoppers website. The crime of the week is often a property theft or break and enter. When a trend is observed in a specific area, this information is relayed to the local Police Services Board or Community Policing Advisory Committee so that they can also disseminate the information to their residents.

Activity	Progress Status	Progress Details
B&Es - Conduct community presentations by Detachment Community Safety Officers to stakeholders and at-risk community groups (seniors, business owners, seasonal residence owners).	Relevant Activity Underway	Target hardening for break and enters is incorporated into the presentations on personal safety to various seniors groups by the Community Safety Officers
B&Es - Increase awareness and enhance "target-hardening" through utilization of the Safeguard program.	Relevant Activity Underway	Ongoing
B&Es - Increase awareness and enhance "target-hardening" through utilization of the Safeguard program.	Relevant Activity Underway	The Safeguard program is administered through the Lanark County Auxiliary Unit. Incidents are flagged by Detachment analysts and forwarded to the Auxiliary Unit. In addition to this reactive approach, residents and business owners can also proactively request security audits for their residences or businesses.
B&Es - Utilize OPP Community Safety Bureau resources such as "Protect Your Property."	Relevant Activity Underway	Ongoing

B&Es - Work collaboratively with internal and external community partners to identify persons of interest who are committing similar crimes in jurisdictions outside of Lanark County.	Relevant Activity Underway	Since the inception of the Community Street Crime Unit they continue to utilize existing collaborative approaches to investigate thefts and break and enters perpetrated by suspects active in many jurisdictions.
B&Es - Utilize analytics to determine hotspots for this type of occurrence to assist with deploying appropriate resources to the right areas.	Relevant Activity Underway	Ongoing
B&Es - Continue to investigate all occurrences thoroughly and completely.	Relevant Activity Underway	Incidents of break and enter are investigated thoroughly and completely. Resources such as SOCO (Scenes of Crime Officer) and the Forensic Identification Unit are regularly utilized to obtain and utilize any forensic evidence. Analysts filter and analyze all available information and the Community Street Crime Unit assists in investigations.

## Illicit Drug Crime Progress Results

### Illicit Drugs (including Opioids)

#### Priority Description:

- Drug abuse is a major contributing factor to social disorder and many forms of criminal activity in our communities.
- 43.1% of respondents in the Satisfaction Survey indicated “yes” when asked if drugs in schools were a problem in their community.
- All Police Services Boards/Community Policing Advisory Committees have indicated action on drug use/abuse is a priority in their communities.

Activity	Progress Status	Progress Details
Collaborate with local health, education and municipal stakeholders to share information and collaborate on complex issues.	Relevant Activity Underway	Due to the increase of deaths related to opioid abuse in Ontario, Lanark County O.P.P. participates in the Community Harm Reduction Committee which is led by the Health Unit. Opioid abuse, particularly Fentanyl, has also been identified through the Lanark County Situation Table as having a potentially significant impact on community safety and well-being.
Participate in Lanark County Opioid Strategy led by the Health Unit.	Relevant Activity Underway	Our Community Mobilization Officers regularly participate in the Leeds, Lanark and Grenville Opioid Strategy Team. This team is led by the Health Unit and regularly distributes information/updates to all participating agencies.
Provide information and/or support for local education and awareness programs, and include such programs when considering available funding sources such as the Proceeds of Crime Grant.	Relevant Activity Underway	The "OPP Kids" program incorporates drug awareness education for grade 6 students. Other age relevant presentations are provided to other grades of students. Similar information/education has been provided to senior's groups as well.
Lead and support crime prevention programs within the community.	Relevant Activity Underway	Ongoing
Recognize that a significant percentage of people at acutely elevated level of risk in the community have risk factors identified as drug use/abuse and/or mental health issues. As such, when appropriate, make referrals to the Lanark County Situation Table to mitigate persons at an acutely elevated risk of harm.	Relevant Activity Underway	From December 2015 to 2018, of the 196 discussions have been brought to the Situation Table, 79% met Acutely Elevated Risk and 85% of those had overall risk lowered. With 22 community partners participating in the Situation Table, there is representation from all agencies who provide acute care in Lanark County. Of the 196 discussions, 60% were made by Lanark County OPP. Domestic violence and substance abuse are major identified risk factors of people with acutely elevated risk.
Participate in the Community Safety Plan for Lanark County process, which has identified substance	Relevant Activity Underway	The Detachment Commander has participated in the Community Safety Plan process since the beginning. The plan is complete and was developed with assistance from the Policing Effectiveness and Modernization grant.

abuse as a prevalent local risk factor needing to be addressed.		
Community Drug Action Team (CDAT) members are being amalgamated into a new Street Crime Team that will include investigation and proactive enforcement of drug and property crimes.	Relevant Activity Underway	Community Street Crime Unit continues to investigate property related crimes. The Community Street Crime Unit (CSCU) consists of 3 members. In the past 12 months, in addition to continued success combatting offences under the Controlled Drugs and Substances Act, CSCU members have also had success with some property crimes that have been difficult to investigate historically including a rash of construction site thefts over the course of 2017 and 2018.
The current complement of the Street Crime Team will be increased from two members to four members.	Relevant Activity Underway	The current complement of Community Street Crime Unit is 3 members.
Continue proactive approach to drug enforcement, particularly with the distributors.	Relevant Activity Underway	All three members of the Community Street Team have proactive drug enforcement as their primary duty. All three detectives are experienced officers with extensive community knowledge, particularly those involved in the sub-culture.
Continue to investigate all occurrences thoroughly and completely.	Relevant Activity Underway	Ongoing
Utilize Detachment Analysts to identify trends whereby proactive enforcement can be effectively utilized to combat this type of offence.	Relevant Activity Underway	Ongoing and the addition of the Regional Analyst position has added yet another layer to our ability to capture and analyze data.

## Cyber Crime Progress Results

Reducing victimization from cyber and/or technology-enabled crime through engagement and education

Priority Description:

- Cyber and technology-enabled crime have developed into a concern for community members in the Lanark Detachment area.
- The most significant cyber and technology-enabled issues continue to be internet safety, cyber-bullying and internet fraud.
- Illicit activities taking place on the "dark web" are becoming more prevalent.

Activity	Status	Progress Details
Engage schools, Police Services Boards and Community Policing Advisory Committees to support and enhance existing cyber-awareness and internet safety programs and initiatives.	Relevant Activity Underway	Community Safety Officers liaise with schools to determine cyber training education and awareness needs. They play a vital role in the investigation of and various types of resolutions for a wide range of issues involving some kind of electronic device or social media platform. The Community Safety Officers have also delivered several educational sessions to students on the safe use of the internet and social media.  These types of incidents are discussed at CPAC/PSB meetings and public messaging has been done by the Perth Police Services Board.
Issue targeted media releases and community presentations specific for youth, parents and the general public.	Relevant Activity Underway	Community presentations have been made to various groups, particularly seniors groups. These presentations focus primarily on fraud prevention. The OPP Kids program also provides some information and education to students about cyber safety.  Media releases have been provided regarding cyber fraud at various times in the past year.
Utilize OPP Crime Prevention resources related to cyber-bullying and internet safety to assist in presentations to youth and parents.	Relevant Activity Underway	Community Safety Officers use programs supplied by OPP Crime Prevention to ensure their presentations on the safe use of the internet and social media are relevant and on point for their respective target audiences.
Seek out relevant speakers to provide information/education/awareness to identified high-risk groups.	Relevant Activity Underway	Ongoing

## 2018 Traffic Progress Results

### Provincial Targeted Outcome: 2% reduction in total motor vehicle collisions by 2019

The Big Four causal factors of fatal, personal injury and property damage collisions on roadways, waterways and trails are: impaired (alcohol/drug), speeding/ aggressive and inattentive/distracted driving and lack of occupant restraint and safety equipment

#### Priority Description:

- There were 6 fatal collisions, 151 personal injury collisions and 821 property damage collisions in 2018. This represents an 8.54% increase in total collisions compared to 2017.
- 263 collisions were animal related and 42 collisions were alcohol related.

Activity	Status	Progress Details
Share collision data with municipalities and Lanark County.	Relevant Activity Underway	Collision data including location, time of day and primary causal factors are shared with all municipalities through Police Services Boards and a Community Policing Advisory Committee. This data is also regularly shared with the County of Lanark as they are responsible for several highways within our patrol area.
Deliver relevant programs to local young drivers at area high schools, particularly on the topics of impaired driving (including by drug), distracted driving, occupant restraints and speeding.	Relevant Activity Underway	Community Mobilization Officers continue to present to high school students on safe driving, incorporating messaging on all of the Big 4 causal factor for collisions; speed, seatbelts, impaired driving, and distracted driving.  As part of regular presentations to seniors, a component on safe driving is also generally included.
Consider Collision Prevention Through Environmental Design (CPTED) analysis when patterns and/or trends are identified.	Relevant Activity Underway	In early 2018, an analysis of fatal collisions on Highway 7 in Mississippi Mills following 2 fatalities in 10 days. Following this analysis, representatives from the Ministry of Transportation were engaged. A multi point plan including the immediate placement of signage warning motorists of blowing snow and dangerous road conditions in the affected areas.  Snow barriers have also been erected by the Ministry in strategic areas in order to reduce the amount of blowing and drifting snow. The Ministry has also agreed to conduct an extensive review of this area for all aspects including placement of snow fencing to road design.  Similar analyses will be conducted whenever trends are identified.

Activity	Status	Progress Details
Maintain high level of enforcement on our highways with priorities on speed enforcement, distracted driving, impaired driving (including by drug) and seatbelt use.	Relevant Activity Underway	<p>Members of the Lanark County Detachment continue to be proactively engaged on the highways we are responsible for ensuring public safety on. For the period of January-March 2018, there was a 60% increase over the same period in 2017. This represents approximately 600 more Provincial Offence Notices issued during this period in 2018 compared to 2017.</p> <p>Lanark County Detachment continues to be a leader in East Region when it comes to impaired drivers. An average of 120 impaired driving related charges are laid every year by Lanark County officers.</p>
Use detachment analytics to identify areas and times in which collisions are more likely to occur.	Relevant Activity Underway	<p>Detachment and Regional analysts conducted collision trends throughout the county. The studies included location, time of day, and primary causal factors. Areas such as Highway 7 in Mississippi Mills went well beyond by looking at wind speeds, temperatures, and possible road design concerns. The results of the five year study on Highway 7 has been incorporated into local enforcement initiatives and officer knowledge.</p>
Support local, regional, and provincial initiatives.	Relevant Activity Underway	<p>Members of the Lanark County OPP participate in and support all traffic initiatives including seatbelt, distracted driving, speed, impaired driving and commercial motor vehicle infractions.</p>

### Pocket Dials/False Alarms Progress Results

Partner to reduce the impact/risk/frequency of false alarms and 9-1-1 pocket dials

- False alarm calls are a high-risk response.
- These incidents appear under Operational 2 in billing summary which is a high-volume, low-time standard.
- It is an ineffective use of resources.
- There were 1214 “unknown wireless” 9-1-1 calls in 2018 a 33% increase from 2017.

Utilize special events to distribute information with the use of Community Safety Officers and Auxiliary members.	Relevant Activity Underway	Community Safety Officers and Auxiliary members disseminate an assortment of information at different events such as bicycle rodeos, Detachment open houses, Perth Maplefest and Garlicfest. Included in the information is a pamphlet related to false pocket dials.
Share local analysis of 9-1-1 calls with Police Services Boards and Community Policing Advisory Committees.	Relevant Activity Underway	All 911 calls and false alarms are shared with all municipalities on a quarterly basis.

## Community Well Being Progress Results

Continue collaborating for an enhanced police response to persons experiencing a mental health crisis

- Hours spent by officers visiting a hospital, and specifically an emergency room, with persons suffering from a mental health crisis detracts from other community safety initiatives.
- Effective response to mental health issues involves a broad spectrum of community service providers, including police working together in partnerships.
- Response to mental health related calls with the assistance of the LCMH nurse who is embedded at the Detachment.

Activity	Progress Status	Progress Details
Continue to participate in and champion the Lanark County Situation Table.	Relevant Activity Underway	From December 2015 to 2018, of the 196 discussions have been brought to the Situation Table, 79% met Acutely Elevated Risk and 85% of those had overall risk lowered. With 22 community partners participating in the Situation Table, there is representation from all agencies who provide acute care in Lanark County. Of the 196 discussions, 60% were made by Lanark County OPP. Mental health and substance abuse are major identified risk factors of people with acutely elevated risk.
Support the Lanark County Police and Mental Health, Emergency Department, Ambulances Service Diversion (LEAD) Program which is entering its 14th year of operation.	Relevant Activity Underway	Lanark County OPP is proud to continue to support the L.E.A.D. program which is now in it's 14th year. The Community Mobilization Officer is a co-facilitator as he has been for the past decade. The Detachment Commander presented the topic 'community mobilization' for his fourth straight year. The Lanark Detachment typically send 5-6 officers to this training every year to ensure every uniformed member has received this training.
Commit to sending additional officers to the two-day LEAD Program training in the fall of every year. This training assists officers dealing with persons suffering from mental illness, streamlines the evaluation process for persons apprehended under the Mental Health Act and connects persons in need with mental health and addictions professionals. Explore and pursue best practices, such as mental health nurses being embedded with frontline officers to facilitate improved response to persons suffering from mental health issues and to connect them with appropriate resources more quickly.	Relevant Activity Underway	In August 2018, the first full time LEAD Mental Health Nurse was embedded with in Lanark County Detachment. Immediately after the implementation, there was an improved response to persons suffering from mental health and they were connected to the appropriate resources.
Participate in the Community Safety Plan for Lanark County process, which has identified substance abuse as a prevalent local risk factor needing to be addressed	Relevant Activity Underway	At the conclusion of 2018 the the Community Safety Plan for Lanark County was completed. It is presently being delivered to municipality counsels for acceptance. The plan identified substance abuse as a prevalent local risk factor that needs to be addressed.
Explore opportunities for a Child Advocacy Centre to mitigate mental health/trauma with youth by capitalizing on existing relationships and funding opportunities through grants such as the Proceeds of Crime Grant.	Relevant Activity Underway	The Child/Youth Advocacy Centre steering committee has been created and plans continue to work towards having a full time facility. Child Advocacy Centre is designed to mitigate mental health/trauma with youth by capitalizing on existing positive relationships.

### Violent Crime – Elder Abuse

#### Priority Description:

- Many incidents of elder abuse go unreported.
- All Police Services Boards/Community Policing Advisory Committees have indicated action on elder abuse, including financial fraud, is a priority in their communities.

Activity	Progress Status	Progress Details
Education through internal sources, such as Community Safety Officers, and external partners, such as the Police Services Boards/Community Policing Advisory Committees, is essential to continue participation in relevant education and awareness campaigns.	Relevant Activity Underway	With the support of Police Services Boards, several community information sessions for seniors have been successfully delivered. These sessions have included information on seniors fraud, particularly those that originate via the internet or over the phone that are scams that deliberately target seniors. Additional information sessions are planned in 2019 by the Community Safety officers.
Seek out new working relationships with the business community to raise awareness to identify potential victims of elder abuse (including financial frauds) and refer them to police.	Relevant Activity Underway	Ongoing
Seek out relevant speakers to provide information/education/awareness to identified high-risk groups.	Relevant Activity Underway	Ongoing
Continue to investigate all occurrences thoroughly and completely.	Relevant Activity Underway	All incidents of elder abuse are investigated thoroughly and completely. In addition to investigations being approved by the responsible officer's supervisor, a member of the crime unit who has a background and additional training in elder abuse reviews all incidents. When reviewing these incidents the Detective Constable ensures all protocol, as defined within Police Orders is followed. Any identified issues are returned to the investigating officer and their respective supervisor to complete.
Maintain all appropriate persons in the Crime Abatement program with confirmation of compliance of release conditions.	Relevant Activity Underway	All persons released on judicial interim release with enforceable conditions are entered into the Lanark County Crime Abatement program. This program is managed by a member of the crime unit and tasks are assigned to platoons.

Total: 29                      Including:

Car / Deer: 12

Parking Lots: 5

Single Motor Vehicle off Road ("in ditch"): 1

### **Impaired Drivers 3**

An anonymous driving complaint from a concerned citizen to Lanark County OPP resulted in the arrest and charging of Frank NITSCHMANN, age 65 years of Drummond North Elmsley Township, for Impaired Driving Over 80. The accused's driver's licence was suspended for 90 days and his vehicle impounded and he was released from custody on a Promise to Appear with a scheduled date at the Ontario Court of Justice Perth on June 17, 2019.

On May 31, 2019, officers from the Carleton Place OPP were dispatched to County Road 29 in Mississippi Mills Township regarding a vehicle in the ditch. The subsequent investigation resulted in the arrest of Caroline HILL, 39 years of age of Carleton Place, Ontario. The accused was charged with Refusal to Provide Breath Sample and Impaired Driving. A court date is scheduled for June 24, 2019 at the Ontario Court of Justice Perth.

### **Domestic Incidents 8**

Officers from the Carleton Place OPP investigated a domestic incident which took place within the Town of Carleton Place on May 29, 2019 just before 5:00 p.m. A verbal dispute turned physical in a business parking lot and resulted in the arrest and charge of a 44 year old female from Mississippi Mills Township. The accused who cannot be identified in order to protect the victim, was released on a Promise to Appear with

Undertaking and is scheduled to appear at the Ontario Court of Justice Perth on June 24, 2019.

Hello,

I have received this letter of complaint and would appreciate the topic be brought up at the next Municipal Police Services Board meeting. I am wondering what is the expectation of police services for the rural area? Are regular patrols/ride programs done in the rural area? I have also just got off the phone with a resident who lives on my back road complaining about a black truck driven by a young man which has nearly caused two accidents in the past week due to excessive speed. He seems to enjoy fish tailing around the corner which joins Concession 8 B and the Camelon side-road. Sounds like this family will also be sending in a letter of complaint. I advised them to contact the OPP and request a patrol car come by occasionally.

Could you please let me know when the date and time of the next municipal services meeting?

Thanks,

Bev

Good evening

I have discussed this issue with Cynthia. We pay for police services and will clarify what services we can expect. In terms of a community mailbox, you should contact the post office. Once we have more information, will share with you.

Subject: Ongoing problem of drinking and littering, hooliganism and theft on Clayton Rd

Dear Councillors,

I am writing as a resident of Ramsay Ward to raise the ongoing issue of drinking in a vehicle, discarding the beer bottles and cans, hooliganism, damage to, and theft of private property on Clayton road.

Myself and other residents of Clayton Rd and Concession 3b are very familiar with the uncitizenly behaviour of drivers drinking and throwing there empty beer bottles and cans, as well as

other garbage onto the verges of Clayton Rd. We listen to the revving engines of trucks and 4-wheelers at night and regularly collect the discarded cans and bottles. This unsociable and in fact, criminal behaviour is bad enough. However, on Friday night (26th July) we suffered vandalism of all of the mailboxes in the area close to Concession 3b - around 8 in total. Our mailbox, handmade by my father-in-law, was removed and stolen. Other boxes were destroyed and the posts snapped off. This is not the first time this has happened. I have been informed by neighbours on 3b that they have had to move their mailbox previously due to vandalism, and that there was talk of a community mailbox to prevent this happening but nothing ever came of this.

I reported the incident of the 26th to the OPP in Carleton Place, but was told that while they would make a report of the incident, they would not send an officer out as they do not have sufficient resources. I informed them about the vandalism, theft and apparent drink driving, but it seems this is not a priority given their limited resources.

What can be done about this issue and how can it be addressed by council? Can we request a community mailbox? That would prevent at least the recurring vandalism, if not the drinking and littering.

I just had a lady come in to inquire about the speed limit on Honeyborne Street in Almonte. After I told her it was 50km/hr she asked what could be done to monitor the speeding, she said it's really bad.

I told her I would pass it along to be discussed at the PSB meeting for the police to monitor the area.

Thanks
